

## **TO ALL COUNTRYLAND ESTATES RESIDENTS**

### ***PLEASE READ THE FOLLOWING IMPORTANT INFORMATION***

The Jackson city planning department is still planning on connecting Singing Tree Drive with Cheddleton Drive in Wyndchase subdivision.

**Attached is a petition opposing this road connection.**

We are uniting with the residents of Wyndchase subdivision to stop this from happening. The petition is our first urgent step.

#### **What we know:**

- It will be a safety hazard – increased traffic means more risk to our quiet neighborhood, children and families.
- The city does not plan on improving the road conditions of Leisure Lane nor Singing Tree. The city has made no improvements since our roads have been surrendered to the city. Leisure Lane and Singing Tree currently do not meet the set guidelines for a road that would connect to a main artery (Ashport.).
  - There is not sufficient room at the Leisure Lane/Ashport intersection for people to safely enter and exit.
- Builders are using this new connecting/cut through road as a selling point to sell the houses in the new Westhaven subdivision on Ashport Road.

- We have pictures showing the difficulty of two vehicles trying to pass each other on Leisure Lane and Singing Tree. The road is simply too narrow for increased traffic.
- The road conditions of Leisure Lane and Singing Tree are already poor, busted up and washed out in many places. Construction vehicles and increased traffic will destroy our roads.
- With the development of more homes and the road connecting, the flooding situation will get worse. We already have issues of standing water, washed out areas, and culverts that need to be replaced. We have pictures of these issues as well.

***BUT WE HAVE TO ACT QUICKLY!***

**➤ PLEASE SIGN THE ATTACHED PETITION SHEET AND RETURN IT TO  
ALAN PHILLIPS AT 45 LEISURE LANE NO LATER THAN SUNDAY  
JULY 19**

**EACH PERSON 18 YEARS OR OLDER MAY FILL OUT A FORM – ONE FOR  
HUSBAND/ONE FOR WIFE/ONE PER CHILD 18 YEARS OR OLDER**

**PLEASE MAKE COPIES AS NEEDED**
